Organizational Setting and Reporting

Under the overall supervision of the Chief Procurement officer, the Procurement Assistant reports directly to the assigned Procurement Supervisor.

Responsibilities:
Within the limits of delegated authority, the Procurement Assistant will perform the following duties and responsibilities:

• Provides procurement, logistical and administrative support to a team of Procurement Officers in the acquisition of a wide variety of goods and services.
• Reviews, records and prioritizes purchasing requests and obtains additional information/documentation as required; determines the availability of vendors and funding sources.

• Monitors status of existing requisitions, maintain contact with suppliers to ensure timely delivery of goods and services, coordinates shipment of goods/commodities/equipment to HQ and field missions, verifies receipt and inspection of deliverables and accurately reports, as and if required.

• Produces tender documents (e.g. Invitations to Bids, Requests for Proposals and Requests for Quotation) based on the nature of requirements and cost of procurement involved.

• Prepares abstracts of offers and compile data contained in quotations, proposals and bids to determine which supplier can deliver the required goods/services at the best terms and lowest costs possible under the guidance of Procurement Officers.

• Finalizes purchase orders and contracts for approval by the Procurement Officer; may authorize purchases in line with delegated signature authority, and, if required, prepares submission to the Contracts Committee for review and subsequent approval by the authorized official.

• Assists relevant officers in more complex, higher value purchasing operations; coordinates distribution of pertinent documents to concerned parties, ensures appropriate follow-up action, etc.

• Maintains relevant internal databases and files; keeps track of any contractual agreements, systems contracts, etc. and informs affected users of contractual rights and obligations.

• Researches, retrieves and presents information from a variety of internal and external sources on sources of supply, vendors by commodity, etc., as well as obtain specifications for new products and equipment on the market.

• Drafts routine correspondence.

• Performs other related duties as assigned.
